Human Resources Intern

About Asylum Access
Asylum Access is a leading refugee human rights organization headquartered in Oakland, CA with substantial operations in three countries plus partnerships in additional countries across Africa, Asia, and Latin America. Asylum Access is the only global organization working to make human rights a reality for refugees in first countries of refuge. Our unique combination of five integrated strategies provides grassroots assistance and changes the legal landscape for refugees and their host communities. By helping refugees assert their rights, we are putting power back into their hands. Our work transforms the traditional approach of endless humanitarian handouts to a sustainable solution that gives refugees the tools to provide for themselves and make choices about their own lives.
